Re: Double D Associates lawsuits

Dear Stan:

I received in today's mail copies of the enclosed Orders dismissing both the "Notice of Application" filed in the old Provo River Decree Case (Civil No. 2888) and the Complaint filed against East River Bottom Water Company and yourself as the Provo River Water Commissioner (Civil No. 940400189).

After receiving the Answers filed by the Attorney General's Office on your behalf, Double D decided to no longer pursue the matters in court and dismissed the lawsuits.

As the attorney for Double D stated in his letter to me, "We consider the matter closed." Please contact me should you have any questions.

Sincerely,

JOHN H. MABEY, JR.
Assistant Attorney General
